## FALLS FROM POLE AND IS CONVEYED TO HOSPITAL

While engaged in removing  
wires from a telegraph pole at Wash-  
ington avenue and Seventeenth street  
yesterday, Crosbie Pickering, a line-  
man employed by the Mountain States  
Telephone and Telegraph company,  
fell from a height of about 25 feet. He  
was picked up by fellow workmen  
and taken to the Dea hospital.

Today, he is getting along nicely,  
having received a severe shaking up  
and minor bruises and scratches. Pick-  
ering is 31 years of age and his home  
is in Salt Lake City.

Don't Wait, reserve your  
seats now for the week's Hip-  
podrome, the biggest show of  
the year. 10c and 20c evenings.

## MANY LETTERS ARE SENT TO 'SANTA'

Letters to "Santa Claus" have been  
coming in to the local postoffice  
"thick and fast," according to Post-  
master W. W. Browning. A large  
portion of these have been turned  
over to "Santa Claus" directly, and  
the remainder to several local char-  
itable organizations acting as his  
aids.

The patron Saint of Christmas,  
however, has reported to the postmas-  
ter that he has received more letters  
this year and less money to carry  
on the good work of properly answer-  
ing them, than ever before. He there-  
fore requests that anyone desiring to  
contribute of their means to assist  
him in the work, to report their in-  
clination to Postmaster Browning,  
who will refer them to his headquar-  
ters.

As in past years, the local Eagles'  
Elks and other fraternal societies  
have made extensive arrangements to  
make Christmas brighter for the  
needy families of the city and it is  
expected all will be cared for, though  
the work will not be easy to accom-  
plish.

## UTAH STOCKS

Furnished by J. A. Hogle & Co.

The Mineral Products Corporation is  
now shipping 3 carloads of potash a  
week from their plant at Marysville,  
Utah, to Jacksonville, Florida, where  
it is used as a fertilizer. The potash  
market is at top prices and the cor-  
poration has decided to double the ca-  
pacity of their plant and bring the out-  
put up to 60 tons a day. This is the  
only plant manufacturing potash in  
America, but another is being built  
on the shores of Great Salt Lake, near  
Salt Lake City to extract potash salts from  
the waters of the lake. These will  
make Utah the only important rival  
of Germany in the field.

## BUSINESS LEADER PLEADS FOR TAX THAT WILL NOT REPRESS INDUSTRY

BASCOM LITTLE

MAYOR BAKER

Cleveland's special tax commis-  
sion, headed by President Bascom  
Little of the Chamber of Commerce,  
has reported in favor of raising all  
of the city revenues by a tax on land  
values and the exemption of business  
enterprise. This recommendation  
has been transmitted to Mayor New-  
ton D. Baker by a vote of five mem-  
bers of the commission to four,  
Chairman Little voting with the ma-  
jority.

A one percent tax law, with re-  
strictions on city expenditures, has  
brought the growing Ohio cities to a  
condition of quasi-bankruptcy. Cleve-  
land faced a deficit of a million  
and a half dollars when Mayor  
Baker, by authority of the council,  
appointed a commission of repre-  
sentative men to recommend a way  
out of the difficulty.

The report of the majority points  
out that all of the improvements  
and services for which the city  
spends money are reflected in higher

values of land and nowhere else. The  
exclusive taxing of land, it adds,  
simply means the taxing of benefi-  
tary property.

In showing how an exclusive land  
value tax would operate, lists were  
made of representative factories,  
banks, office buildings and residences,  
showing the present tax burden of  
each and what it would be under the  
proposed system. In nearly  
every instance the proposed tax is  
less than the present tax, the differ-  
ence being made up by increased  
taxation on vacant sites held for  
speculation. The tendency of a land  
tax to force such sites into use and  
stimulate building is discussed in the  
report.

Chairman Little also pleaded the  
cause of local home rule in taxation  
before the Ohio Municipal League  
at Dayton. He said that it would  
permit any locality to experiment  
with the single tax system without  
affecting other localities.

## CONQUEROR OF LIEGE IS DEAD

Berlin, Dec. 22, by wireless to  
Sayville.—The death of Hanover  
General Von Emmich, the conqueror  
of Liege, is announced by the Over-  
seas News Agency.

General Von Emmich was comman-  
der of the Tenth army corps. He  
figured prominently in the early  
events of the war, being in command  
of the German troops which invaded  
Belgium. It was he who issued an  
appeal to the Belgian people not to  
resist the Germans.

The heavy loss of life of the Ger-  
mans at Liege was said to have shat-  
tered the confidence of the general  
and a report that he had committed

In the matter of the estate of Dan-  
iel Rogersan, deceased. Petition for

of \$30.00 per month, beginning with  
the death of the decedent, Daniel Ro-  
gersan.

Mary M. Wheelwright, as adminis-  
tratrix, etc., vs. Daniel B. Roman. The  
court finds that the deeds and assign-  
ments of mortgages in controversy,  
executed by Gertrude Roman, plain-  
tiff's intestate, were never delivered,  
and that the said Gertrude Roman was  
the owner of the said real estate and  
of the said mortgages at the time of  
her death. The court finds, there-  
fore, that the plaintiff is entitled to  
the relief prayed for in her complaint.

It is alleged that such activities  
were part of a military plot directed  
from the United States and as such  
violated federal statutes.  
When Justice was arraigned before  
United States Commissioner Hough-  
ton he was asked if he had counsel.  
"No," said Justice. "I want to see  
what my employers, the Hamburg-  
American Line, will do for me."

However, the court named as coun-  
sel, Carl Whitney, who is also attor-  
ney for David Lamar. Lamar, it is  
alleged, received money from Franz  
Von Rintelen, the head of a conspir-  
acy to foment strikes in munition  
plants. At Whitney's request Justice's  
arraignment was adjourned.
